MindMixers Retreat

power of ideas and relationships.

MindMixer! Forums and retreats are about the transforming

Ideas without meaningful relationships generally get lost in time and

never lead to action. Going far beyond just networking MindMixer! retreats create lasting relationships that result in a foundation of creative, practical ideas that are directed toward tangible results.

Whether it be making your dream come true or taking your business to the next level or achieving a goal you never thought was possible MindMixer retreats and weekends are the mechanism to make it happen.

Contributors of MindMixers are the participants themselves. We're the essence of each forum and weekend retreat.

Membership to a Mindmixer is by registration and acceptance, fees are for 1 year and events are monthly with 2 weekend retreats per year. To join call 919-363-1530. Memberships range from \$7,000 for the year which includes special services noted below. Details are available in one on one introductory meetings. Ask for your meeting today! 919-363-1530. Do you have to be a member to join a MindMixer? No. Anyone can join one of our sessions. Members have special programs, executive MindMixing coaching sessions, events, dinners as well as services provided to them throughout the year. To learn more about the people of, click below.

Sponsors of: Night of Dreams

A non-profit organization.

The Night of Dreams Foundation

Creating Original Performance Events & Shows for Regional Artists for the Purpose Of Charity.

May 2007 - over 300 artists served

Night of Dreams Showcase

is an artistic extravaganza (participants are invited to audition)

about dreaming big and making dreams come alive. Night Of

Dreams Foundation(TM) will connect

talented individuals with

other participants: singers will be matched with songwriters

who can

create the perfect song matched to the voice and soul

of the singer, dancers will work with composers;

artists with

marry art with music. The show itself will be a creative explosion

of talent. This is

truly a unique experience for all. For

more information visit www.nightofdreams.org.
