### MindMixers Retreat

MindMixer! Forums and retreats are about the transforming power of ideas and relationships. Ideas without meaningful relationships generally get lost in time and never lead to action. Going far beyond just networking MindMixer! retreats create lasting relationships that result in a foundation of creative, practical ideas that are directed toward tangible results. Whether it be making your dream come true or taking your business to the next level or achieving a goal you never thought was possible MindMixer retreats and weekends are the mechanism to make it happen.

Contributors of MindMixers are the participants themselves. We're the essence of each forum and weekend retreat.

Membership to a Mindmixer is by registration and acceptance, fees are for 1 year and events are monthly with 2 weekend retreats per year. To join call 919-363-1530.
